Eohilia™
(budesonide oral suspension) 2mg

Share Your EOHILIA Story!

We're currently looking for people who have experience with EOHILIA or have supported a loved one using EOHILIA. Your story has the power to offer invaluable insights to others navigating similar journeys.

If you're interested, you may have the opportunity to share your story, experiences, and insights through various platforms including:

Educational and promotional projects:

- Reviewing materials
- Sharing your insights to inform future initiatives

Contributing to **video/photo projects, and/or sharing your story to an audience of people**, both virtually and in person

To learn more about sharing your EOHILIA experience, **please call 888-481-3891 or scan the QR code to send a prewritten email to our network staff.**

For more information on EOHILIA, visit <https://EOHILIA.com>.
